The screenshot displays the IBM Cognos Analytics with Watson web application interface. The browser's address bar shows the URL `us1.ca.analytics.ibm.com/bi/?perspective=home`. The page header includes the IBM logo, a search bar, and a user profile icon. The main content area features a welcome message: "Hello. Welcome to Cognos Analytics with Watson." Below this, a sub-header states: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Two buttons are provided: "Watch video" and "Take a product tour". To the right of the text is a 3D visualization of data cubes. A user profile dropdown menu is open on the right, showing the user's name "Aravind M (c33b6c6b48...)", email "aravindmab7@gmail.com", and a "Profile and settings" link. The menu also lists "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". Below the main content area is a "Quick launch" section with four tiles: "Upload data", "Prepare data", "Exploration", and "Present data". The Windows taskbar at the bottom shows the search bar, various application icons, and system information: "22°C Mostly sunny", "5:53 PM", and "11/19/2022".
